Home Improvement Financing

**You Start the Deal.
We'll Help You Close It.**

You can offer instant financing to your customers with easy-to-use, mobile-friendly technology that provides cash alternatives for projects large and small.

- **Soft Credit Pulls**
Soft credit pulls deliver pre-qualified offers at no risk.
- **No Stipulations**
No proof of homeownership, income, or job completion certificates are required.
- **Flexible Staged Funding**
Control your cash flow without limitations on initial deposits and draw frequency.

Your customers shop from your custom selection of products

How Momnt Works

Send Loan Application

Send your customer a loan application from any internet-enabled device.

Customer Shops Offers

After submitting a short digital application, your customer can see financing offers within moments.

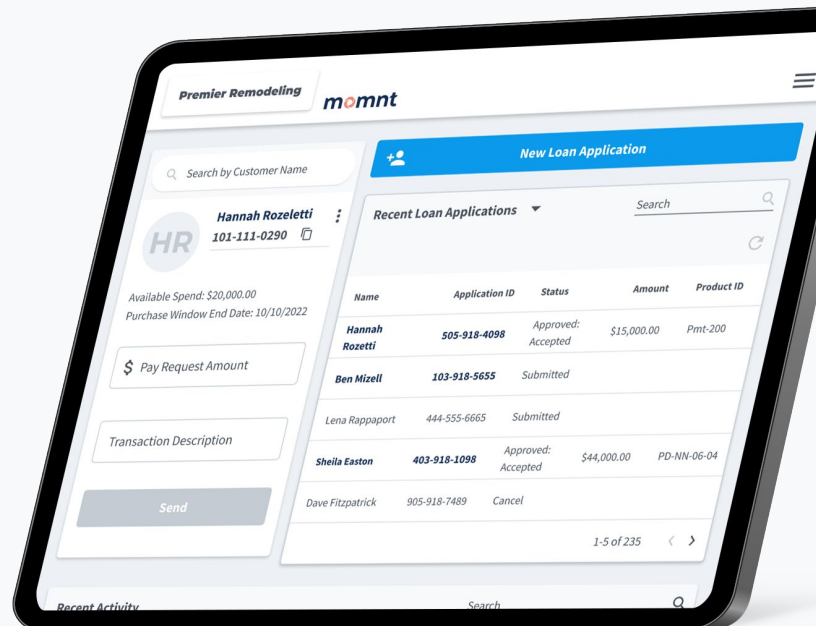

You Get Paid

Instant Application approval and funding lets you request immediate payment from your device.

Why Momnt?

- **True Multi-Offer**
Select from 40+ products in four categories: Deferred Interest, Fixed Payments, Fixed Rates, and Zero Interest Loans
- **Closed-Loop Funding**
Customers can only spend their Momnt-Approved funds with you.
- **Simple and Fast**
Our 100% digital platform enables you to transact with your customers at the moment-of-need. You can text your client an application at the kitchen table.
